## **Group Registration Instructions**

These instructions describe:

- 1. How a Group Leader adds group members to their course group.
- 2. How a group member takes a quiz.
- 3. How a group member can print their certificate.

### How a Group Leader adds members to a course group

After you have purchased a course group (more than a quantity of one of a course) go to the Group Registration page and enroll members into your course group. There is a link to the group registration page on the main site menu.

When you add members that are not already registered to your group, they are automatically registered on the Bright Minds Training site. After you have completed registration of members in a course group Bright Minds Training will send an email to each member that will include their Bright Minds Training username and password. Group leaders are not allowed to access or change the passwords of the members in a course group.

On the Group Registration page click on the "Add more" button up to the quantity of the course you purchased to add members to your group. After you have entered the members name and email information click on the Add Users button. See figure 1.
