

Clear Slime

Washable Clear
Glue

Water

Borax Powder

1. Put one cup of clear glue and one cup of water in a bowl and mix well. You may need to add extra water if it seems too thick.
2. Add 1 tsp borax to 1 cup hot tap water and mix well.
3. Add borax water to glue mixture.
4. Knead the slime for a few minutes to improve the rubbery, slime consistency.
